An aerial photograph of a large industrial complex, possibly a refinery or chemical plant. The facility is characterized by a dense network of pipes, walkways, and large storage tanks. In the foreground, there is a paved area with several parked cars and a few small trees. The background shows a body of water and some distant structures. The overall scene depicts a complex industrial operation.

THIS ONE'S FOR YOU, MR. PEARSON.

There are times when all students feel that disciplinary rules are unjust. However, most appreciate the fact that someone really cares enough to guide them through their problems and troubled times. It is for this reason, Mr. Pearson, that "This One's For You!"

Born in Corydon, Kentucky, Mr. Ernest Pearson graduated as the salutatorian of his class at Biloxi High School where he was a member of the track team and debate team. In 1937 he received his Bachelor of Science degree in chemistry from Western Kentucky State Teachers' College at Bowling Green, Kentucky. After teaching high school math in Clinton, Kentucky for two years, he moved to Parkersburg, West Virginia. There, he began his association with Quaker State Oil as bookkeeper and supervisor of the Parkersburg and Wheeling stations. During World War II, Mr. Pearson served as a Tech Sergeant. From 1948 until 1958, he owned and operated Bennett's Potato Chip Company. Prior to his move to Vincent High School in 1958, Mr. Pearson returned to teaching as the sixth grade teacher at Williamstown Grade School. During his three years at Vincent High School and for six years at the newly constructed Warren High School he taught Algebra. In 1967, Mr. Pearson was employed in his present position of Vice Principal. That same year, after several summers at Ohio University and Bowling Green University, Mr. Pearson received his Master's Degree.

Mr. Pearson lives in Parkersburg with his wife, Pauline. They have four children, Darlys Anne, Ronald Bennett, Randall Wayne, and Peggy Eileen. There are seven grandchildren.

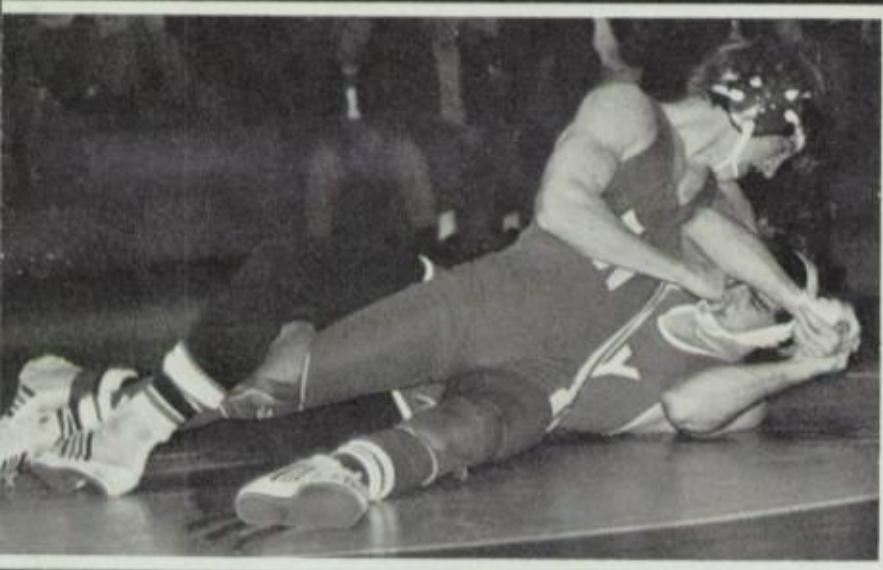

Mr. Pearson's very active life includes his favorite hobbies of hunting, fishing, motorcycling, and restoring a farm for his retirement.

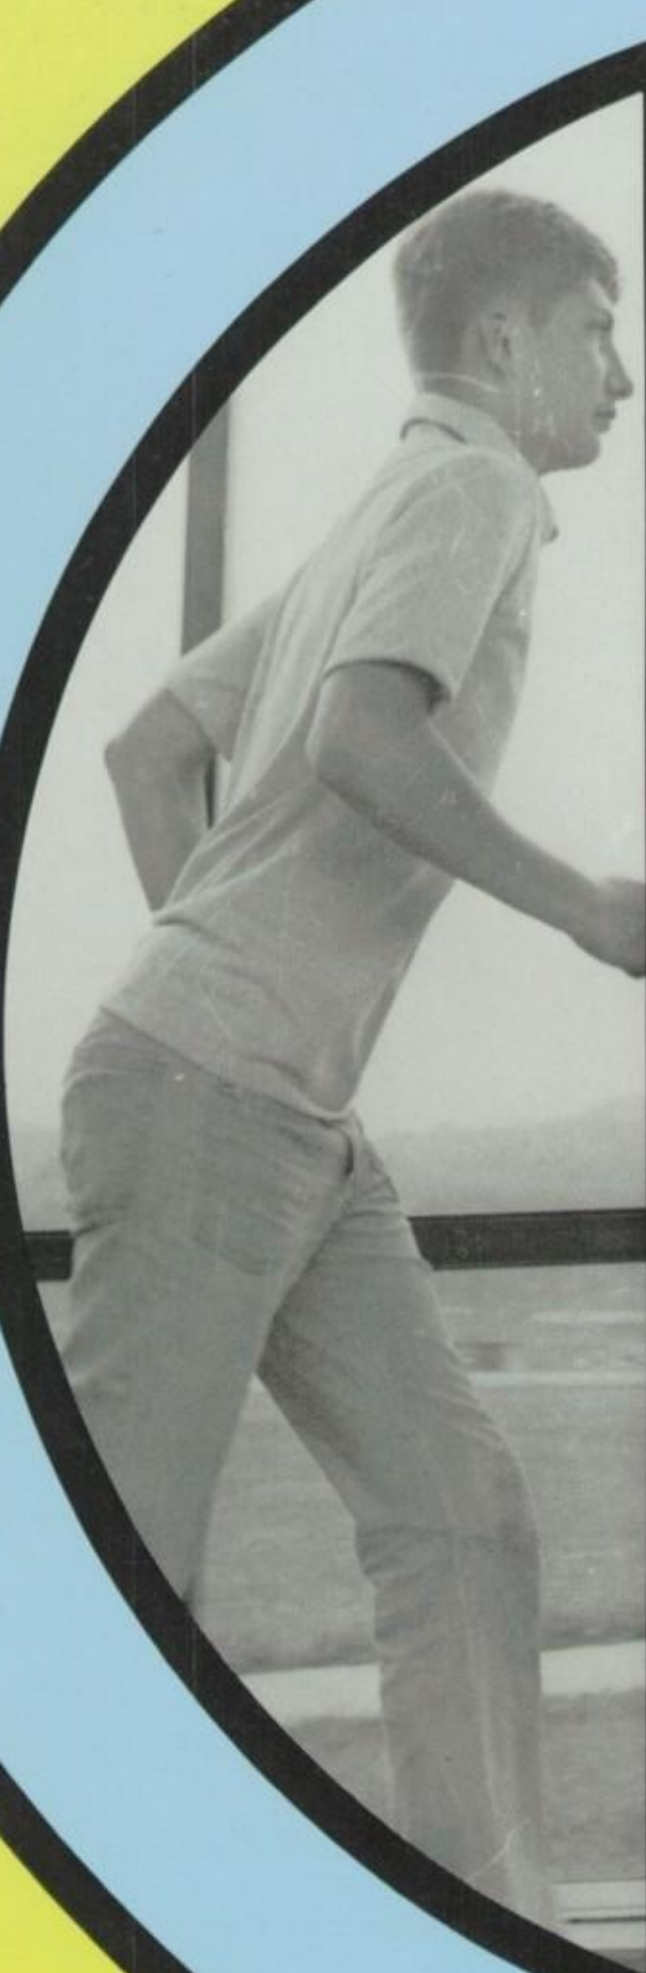

With great pride and much appreciation, the 1977-78 SHIELD Staff dedicates this yearbook to Mr.

Ernest Bennett Pearson.

A B.A. degree in French and English from Marietta College is the background of MR. MERRY BEDILION, teacher of College Preparatory English and French at W.H.S.

Mr. Bedilion took on a new responsibility this year as adviser for our school's yearbook, THE SHIELD. In his quest to have the best yearbook ever, he used a yearbook workbook to help the advice staff members learn guidelines.

Mr. Bedilion also sponsors the sophomore class and the French Club.

Among this lively individual's interests are woodworking, music, reading, crossword puzzle solving, stamp collecting, and photography.

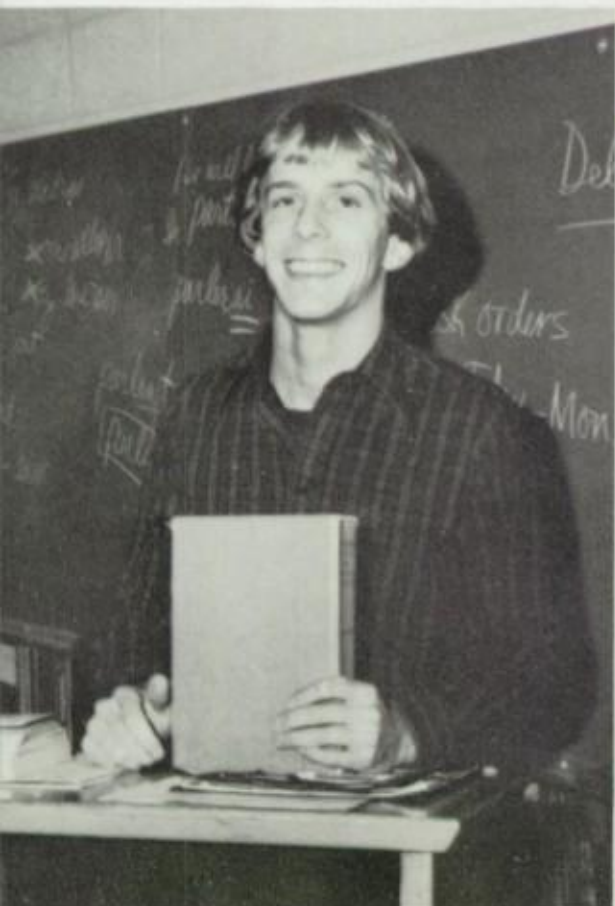

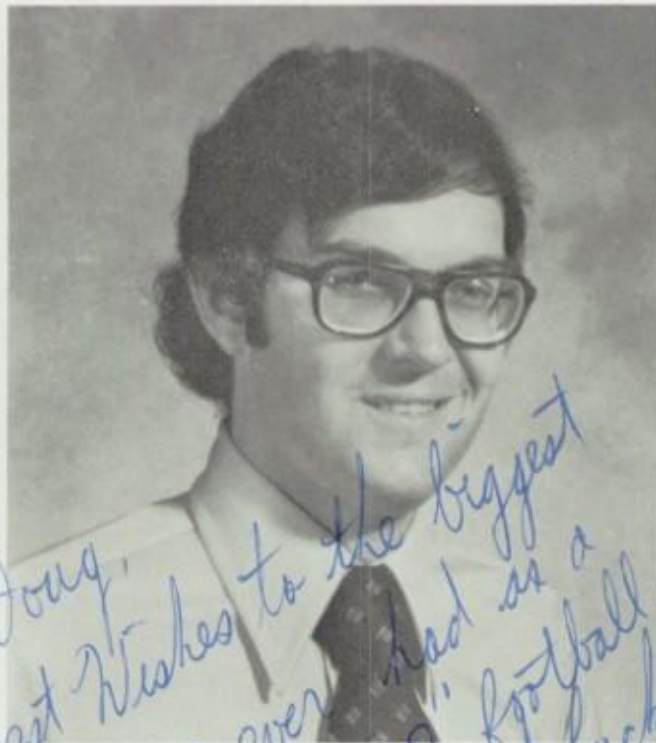

MR. DENNIS BIDDINGER graduated from Bowling Green State University with a B.S. in Education. Teaching boys' Physical Education this year, Mr. Biddinger joined forces with Miss Corliss' girls' Physical Education classes and included coeducational instruction in volleyball, basketball, softball, and square dancing in the schedule.

Aside from his regular teaching duties, Mr. Biddinger is the Assistant Coach for the Varsity and Junior Varsity Football Team and assists the Varsity Basketball Coach.

His hobbies are sports, camping, hiking, hunting, reading, and membership in the Ohio Health, Physical Education and Recreation Association.

A Master's Degree in Spanish and Elementary/Secondary Education equips MRS. KRISTIN BOLDEN to teach Spanish and Ninth Grade College Preparatory English. EVENTS . . . EVER

To get fired up for the Homecoming Game with Nelsonville, events were ignited by the brightly colored sign contest which illuminated the halls. The Freshmen took us to the Fair, the Sophomores led us through Disneyland, and the Seniors showed us the land of the Wizard of Oz. The Juniors outshined them all with their "World of Commercials", and the Student Council honored them with a triple crown victory in all three categories: Theme, Quality, and Originality.

1. President Karen Mason receives a plaque for the victorious Juniors. 2. Senior Jeannie McAtee outlines her lion. 3. Dana Balachowski and Brenda Lemon hang up a Frosh sign. 4. Sophomore Richard Hood draws a ducky hat.

CLUBS

CLUB

The members of the Library Club worked this year to acquire a Xerox copier for student use in the library. During National Book Week in November and during National Library Week in April, the club sponsored book fairs. These fairs gave students an opportunity to purchase paperback books at a low cost and at the same time they helped raise money for the rental of the copier.

The Library Club provides an activity for students who are interested in reading and audio-visual equipment. Mrs. Peoples and her club members aim to support the library and its services.
